"I believe it is important that this country sail and not lie still in the harbors."

"I ask you to give to the service of our country the critical faculties which society has helped develop in you here. I ask you to decide as Goethe put it, "whether you will be an anvil or a hammer."

John Fitzgerald Kennedy
(1917-1963)

Dear Vicki,

You aren't here to graduate with us in person, Vik, but you are certainly here in spirit. Don't feel bad, please; because Chuck and the baby are worth all the graduations in the world- You're a lucky girl- Chuck is the most wonderful guy, I'm so glad you're happy at last.

Don't ever forget the good times we've had, and there have been many- Viking Varieties, Chorus, "Granny's Pad," We've had a wonderful time thus far- the many years ahead, they'll be great. They'll have to be, because you'll be a part of them. Remember the many, many times I've cried on your shoulder? When I look back on them I don't remember how I felt at the time. I only feel grateful that I have such a wonderful friend to lean on. Vik no matter what, no matter how many new friends you'll meet, never forget your old buddies at P.H.S.

Graduation is tonight, but it really doesn't seem like it. I'll miss you Vicki. You're the type of person one never forgets. and I don't mean to be funny, either. Remember when we used to go out to the "Point"- and "guess-who" had to go swing? Well, I don't suppose I'll ever get over that. I still love to swing- but then, there are a great many things that I'll never get over. + our friendships for instance. The many misunderstandings we've had all seem so empty now.

As much as I'm happy to be graduating, you know, I'll miss this old heap of building blocks.

SPECIAL EVENTS

The P.H.S. Viking set sail September 6, 1963, voyaging over uncharted seas. The first toot of the ship's whistle brought aboard our foreign ambassadors, Mouni Sadek and Sa Pereira.

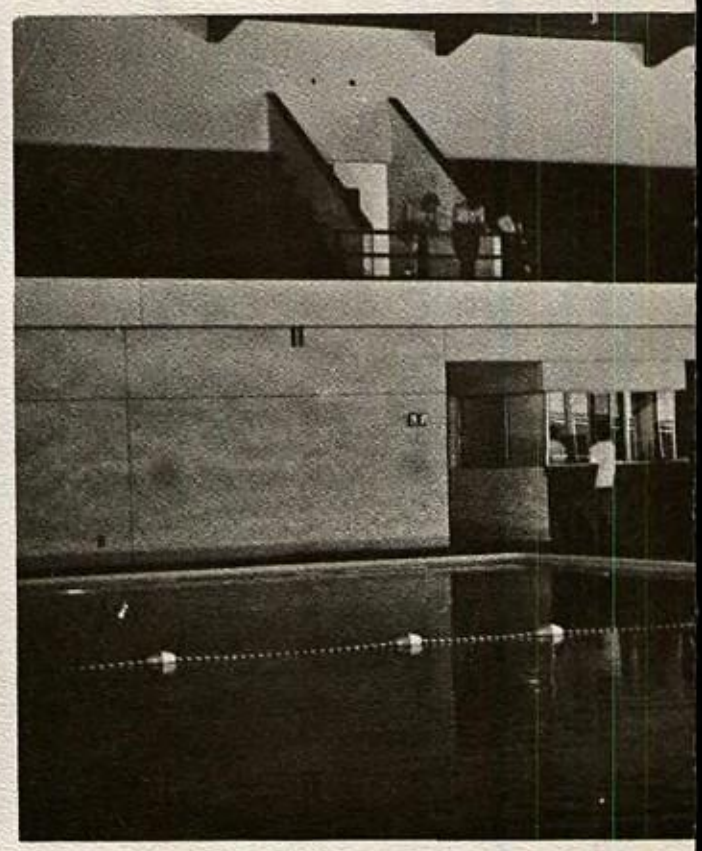
During October the new swimming pool and Library Science Building were christened in traditional ceremony. The first to enjoy the newly dedicated pool was our captain, Don Hartung. In November, the athletic department, skippered by Bob Ryan, captured the Puget Sound League football championship. When in battle they humbled nine mighty vessels, sending the S.S. Renton into dry dock. December brought the ship's first Homecoming dance, held on deck with the stars as decorations.

January ushered in the new year and the cruiser was halfway toward its destination. Karen Goettling was selected as

princess of the seas, ably representing the crew and passengers in her serene manner.

In February the travelers initiated a land lubber practice by participating in a Sadie Hawkins Day dance, keeping up with leap year tradition. The Viking set sail again in April after a week's shoreleave in the month of March, heading toward "Somewhere," the Senior Ball. Awards to the passengers and an assembly presented by the seniors climaxed the month of May.

As June began, the voyage ended. Before docking, graduation was solemnized, and the seniors abandoned ship, leaving memories and traditions to the juniors and sophomores to carry on in the many voyages to come.



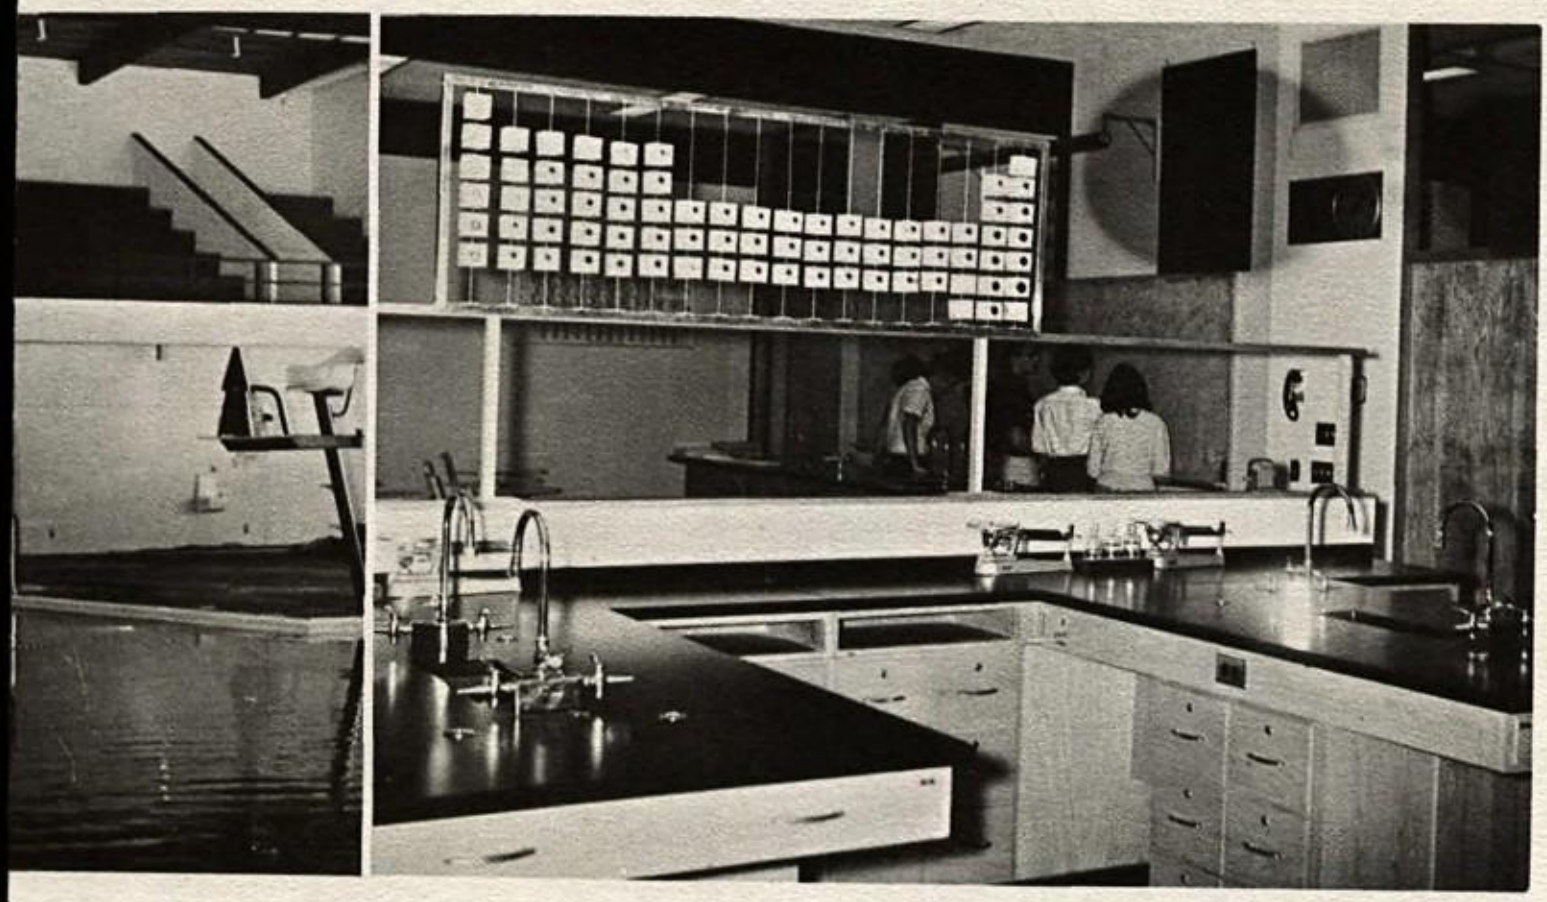
Traveling the high seas can be rewarding as well as adventurous. Education is both the calmest and stormiest sea ever to be crossed. Ships need islands as stepping stones for completing their journey, for refueling and replenishing their supplies. Education also needs stopover to replenish the mind and refuel the initiative. Puyallup has 5 of these islands which are for the sole use of the young mind. The first island is that of science and knowledge in the guise of the Science-Library Building, erected in the summer of '63.

Student's minds and bodies need diversion and so they travel to the second isle of athletics and physical development. They either swim in the newly built pool or exercise and compete in sports in the five-year old gymnasium. Puyallup also caters to the domestic sciences by remodeling and adding on to the agriculture and metal shops.

The main island of activity is the old but cherished structure, centered in a maze of newer islands. This building is the keypoint of all stops, battered and time worn, but still carrying the air of islandic superiority.

WE ANCHOR OUR SHIP IN SCIENCE

RESEARCH AND RECREATION



An architectural dream come true is our beautiful Olympic size swimming pool. This 165,000 gallon pool was designed with a triangle purpose in mind. They are, competitive, recreational, and teaching. Though this attractive building is located adjacent to our gymnasium it is not for school use only, but belongs to the whole community.

HANDS ACROSS THE SEA . . .

Itidal Sadek

With a smile and a radiant personality, Mouni (Itidal) Sadek foreign exchange student from Cairo, Egypt, began her senior year at P.H.S.

From the start Mouni became a necessary individual, not only during school, but also in the many activities in which she participated. Mouni's humor and ability for wit is evident to those who know her well. She is American in her actions but profundly Egyptian in her heart. One could see she loved this country but Egypt is her home.

Mouni's future plans include eight more years of study at Cairo University in preparation for a career as an optholmogist, following her father's footsteps as an eye surgeon.

As the time approaches for Mouni to return to her native land, she will do so with mixed feelings. She will miss her American friends but not so much as they will miss her. Mouni has the thrill before her of joining old friends; the students at P.H.S. have only the prospect of losing a warm hearted companion.

Mouni's classmates have gained a background of international fellowship while sharing a memorable experience of hands across the seas.

Sa Pereira

Laughing, joking, swimming and trying to know everyone in so short a time, is an accurate description of Sa Pereira, our lively foreign student from Juiz de Fora, Brazil.

Eliziario de Sa Barreto Pereira became interested in Puyallup's activities while participating on the swimming team. He was much more than an asset to the group, he created a lasting effect and inspiration to the squad with his hard work and determination.

Sa is interested in the study of agriculture and biology. He plans to pursue this career when he graduates and returns to Brazil. By living with an agriculturally minded family, Sa has gained valuable experience during his stay in the United States.

Valuable experience was gained not only by Sa, but by the students who sought his friendship. Sa is a symbol of international relations, improved by understanding one another. We will truly regret Sa's day of departure.

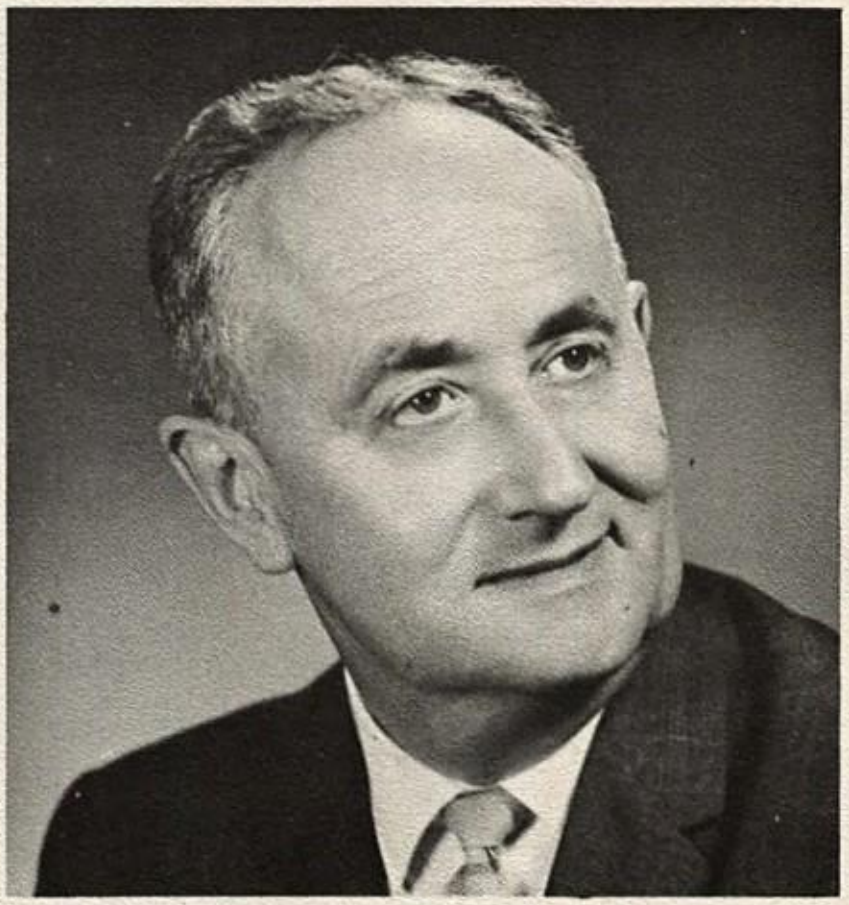
We are very fortunate in Puyallup High School to at last have a complete high school. We are grateful to the administration, the school board, and the community for the excellent new facilities that are available for our use this year. In addition to the new library-science building, the swimming pool, and the metal shop we have a faculty workroom, nurses quarters, counselors' offices, and a remodeled high school office. These have all added to our opportunity to further serve the needs of our students so that they may receive a better education. With the fine faculty and the excellent student body that we have, I feel sure that this goal is being accomplished.

DON HARTUNG
Principal



In December of 1963 Mr. James Turman former vice-principal took an extended leave of absence from Puyallup High School to work toward his Doctorate Degree at Colorado Stae College at Greely, Colorado.

His present plans are to return to Puyallup in the fall of 1965.

Mr. Turman served as vice-principal of Puyallup High School for seven and one-half years.

Before turning to his job as vice-principal he taught social studies, health, and physical education.

It is a real privilege to congratulate the Puyallup High School student body on another successful school year. This annual will become an accurate pictorial history of your high school days. The pleasures and treasures you receive from your education may not be apparent immediately, but it is our hope that you look back on your high school education with fond memories.

To the class of 1964 we extend our heartiest congratulations upon your graduation. Your four years in Puyallup High School have been filled with many achievements. May the impetus of your education carry you on to greater goals in the future.

Over three hundred and fifty seniors' thoughts are centered on the approaching graduation ceremonies. For the most part the class of 1964 is elated after completing four years at Puyallup High, but the memories of the past years have a mellowing effect on their joyful feelings.

Early memories of every senior are the presentation of a successful Freshman Frolic, featuring Charleston dancers, "The Roaring Twenties," and one of the most profitable Sophomore Hops, "Mardi Gras.' The members of the class of 1964 had demonstrated an exceptional amount of class spirit which hit an all time high when as sophomores they captured first place in the Stunt Assembly with "Project 61", a take off on the Seattle Space Needle.

Popular songs from current movies provided themes for their last two class dances. Strains from "Moon River", the theme of the Junior Prom, will remain in the memory of many. At the Senior Ball, "Somewhere," the class created a land of fantasy and exaggeration especially for the seniors. Much work and fun filled evenings contributed to the momentous Senior Assembly which concluded their Senior year.

Among the seniors of 1964, who were the first students to attend classes in the new Science-Library building and to utilize the new Science-Library building and to utilize the new swimming pool, were Mouni Sadek from Cairo, Egypt, and Sa Pereira, from Brazil. These two A.F.S. students were welcome participants in the senior activities and instilled in the seniors an invaluable feeling of comradeship and understanding.

The seniors contributed their part to making the 1963-64 voyage through experiences successful and stored away reminisences and learning, both personal and academic, which will be the basis for the anticipated future.

CLASS OF 1965

JUNIOR

The Junior crew, with no fear of the cold, cruel world waiting for them and a year of sea duty behind them, sailed through the voyage with enthusiasm and confidence. Their actions reflected their class yell, "For the best is what we strive, 1-9-6-5!"

Gary Brantley, President; Ron Hanken, Vice President; Gail Waterland, Secretary; and Jody Rohrer, Yell leader led the crew to many ports of achievement. Perhaps, the most exotic port was the "Moulin Rouge" Dance with it's red, black, and silver decorations. The Junior crew and the Foreign Student Project also paid a call at the "Hootenanny" port and came away with money and memories of a happy folk-singing evening. Choosing a class ring and presenting a class play were two more duties of the busy seamen.

With the help of their experienced counselors Mr. Art Larson, Mrs. Nydia Case, and Mr. Andrew Helling, the Juniors completed a successful and useful tour of duty.

CLASS OF 1966

SOPHOMORES

As the sun rose brightly in the East, the new recruits scrambled aboard. This was their first year aboard the S.S. Viking, and they attacked their new duties with youthful energy. After some unsteady sailing they settled on their class yell, "Here's where pep and spirit mix 1-9-6-6!"

The yell echoed fore and aft as they placed third in the Season Ticket Drive with 99.6% of the class participating. The enthusiasm from this drive helped their officers lead them through many activities and advenures during the year. Lyle Schaefer, President; Jim Large, Vice President; Carolee Nutt, Secretary; and Patty Simons, Yell Leader were the officers of this able crew. Mr. John Durr. Mr. Al Jacobs, and Mr. Sterling Harshman gave these shaky crewmen navigational advice and assistance.

A third place in the football league and a spring dance with gay decorations and a lively band established the sophomores as a valuable addition to the voyage of 1963-1964.

BOYS PEP CLUB

BOYS' PEP CLUB

Drawing up a new charter began the activities of this year's voyage for the "Buoys' " Pep Club. The mates also chose new uniforms of gold sweaters with an emblem for their voyage.

Mr. Steickle became their advisor and helped get the club organized for future trips.

The active crew presented a pep assembly during football season, a half-time performance during basketball season, and painted signs for wrestling and swimming meets.

The club supported the yell staff and helped arouse enthusiasm within the S.S. Viking crew. Their principle accomplishment during this voyage was forming a sound basis for further support of school activities during future voyages.

BOYS' PEP CLUB ENGAGED IN EXTRA-CURRICULAR ACTIVITIES.

GIRLS ATHLETIC ASSOCIATION

Under the active leadership of Judy Gregson, president; Beth Medearis, vice-president; Peggy Ward, secretary-treasurer; Nancy Davies, historian; and advisors: Mrs. King and Mrs. Liljestrom, sports-minded girls had a large variety of activities to choose from.

The major sports of 1963-64 were volleyball, basketball, softball, and gymnastics. This year the mates were fortunate to have use of the new swimming pool.

A hockey game at Renton and a gymnastics expedition at Clover Park were highlights of this voyage. At the gymnastics expedition many girls were enabled to watch several Olympic performers.

The award banquet in May added the final activity of the year.

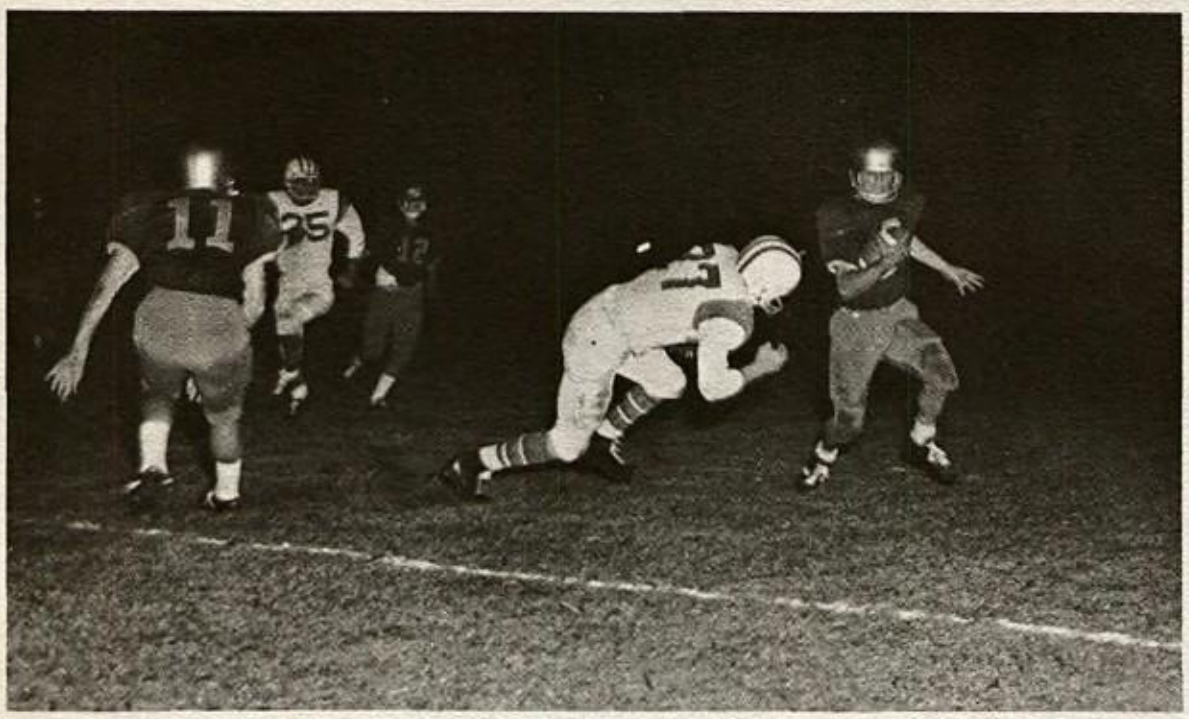
VIKINGS SEIZE 1963 PUGET



Kerst eludes Lakes tackler.

Braving the seas of opponents the Puyallup Vikings claimed their first outright football title since 1951. The Southern Division Champions accomplished this by sinking the Renton Indians, the Champions of the Northern Division, 18-13 in the first Puget Sound League Championship Tournament.

The Viks had their first and only dunking at the hands of the Kent-Meridian, Royals 13-12 in a hard fought battle. Organizing their weapons, the monsters rallied to defeat Highline 12-7.

Helpless at the hands of the mighty Vikings the Mt. Rainier team gave the Viks their second straight win.

The Cardinals of Franklin Pierce were next on the Vikings menu as they were easily conquered 19-0 on the Vikings' own field.

In a 35-0 shut-out Puyallup sailed over the Lakes Lancers and took the Southern Division title. "It was our best effort so far," Coach Bob Ryan said of his Vikings, "We had good down field blocking and our defensive backs played good pass defense. The team didn't let up and kept the pressure on Lakes throughout the game. I couldn't have asked for much more."

The victory over Auburn gave the Viks a total of 95 points against their last four opponents. While the vanquished teams were unable to score against the Vikings.

SOUND LEAGUE CHAMPIONSHIP

Viking QB, Jerry Henderson, is hauled down by C.P. defender.

The sea worthy Vikings next set sail for Enumclaw and upset the strong Hornets 14-0.

In the last game of the season Viking fans witnessed the seventh straight triumph for the Viking squad as they over-turned the Warriors 7-0.

The 16th of November found the Viks sailing to the Renton field for the final game with the victors Champions of the Puget Sound League.

At the end of their victorious season six Vikings were named to the All Conference Puget Sound League team. Those on the first team were Rich Tevis, senior guard; Jim Vest, junior end; and Jerry Henderson, junior quarterback. Those chosen for the second team were Roy Noel, senior end; Al Neeley, senior center; and John Stahl, junior tackle. Honorable mention went to Keith Sherman and Ken Kluge.

Jim Vest was the only Viking and junior named to the All State team.

Leading the Viks next season as they defend their crown will be captain Jim Vest and co-captains Jim Doud and Keith Sherman.

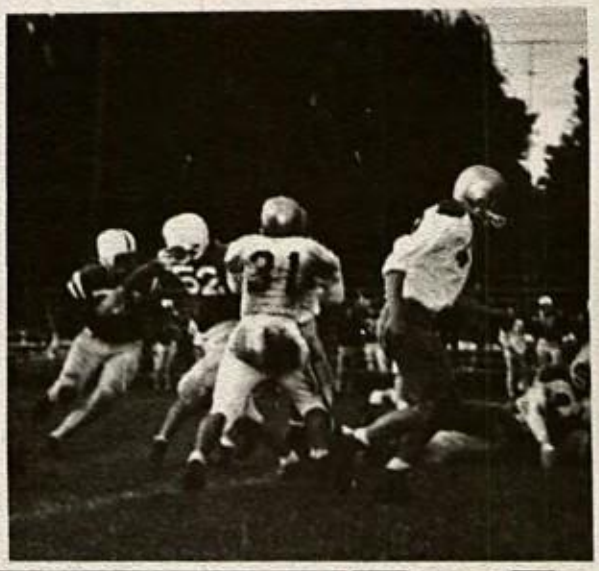
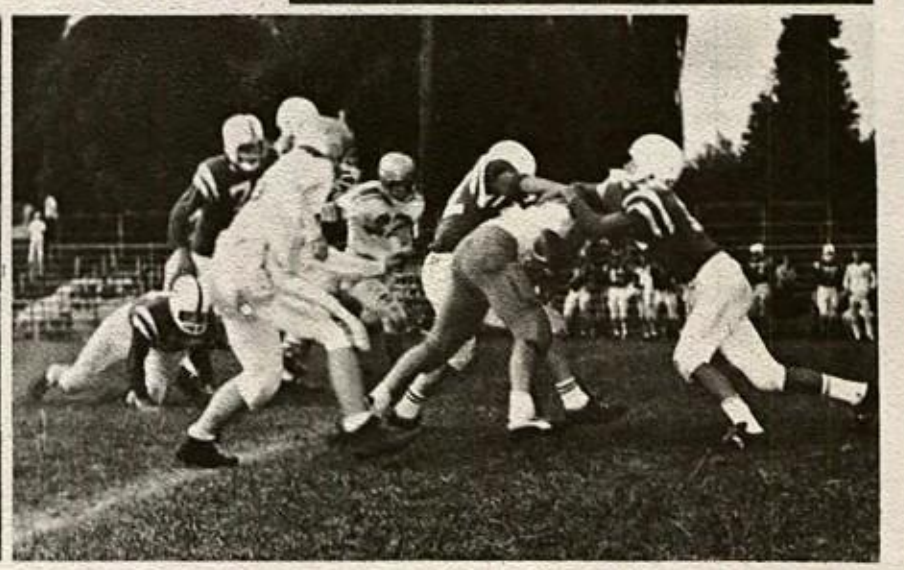
SOPHOMORES GAIN EXPERIENCE

With the largest roster in five years the Puyallup sophomore football team rolled up a record of 4 wins, 4 losses, and 1 tie. This year's team consisted of big linemen and fast backs which throughout the season developed valuable experience for the coming years.

The team lacked depth and pass defense in the first few games but both of these phases of the game improved throughout the season.

With both junior highs contributing to the sophomore squad there is expected to be more keen competition for starting positions and larger squads every year.





YELL STAFF LEADS STUDENTS; TEAMS TO VICTORIES

Pepsters for this year included Candi Elwell, Yell Queen; Kathy Franz, Linda Boswell, and Kathy Judy. Displaying fine ability these girls worked out many routines for various songs as well as aiding the cheer leaders in promoting school spirit and team support. Candi said for this year's yell staff, "This year's student body participation has been very commendable in supporting our school teams and we give credit to the Girls' and Boys' Pep Club in aiding us."

The entire staff was under the supervision of Mr. Turman and Mr. Larson.

The addition of two boys to this year's cheer leaders made the Puyallup yell staff one of the best in the Puget Sound League. Along with Vicki Baginski, who had charge of the cheer leaders; and Lynn Geiger, the only junior of the four elected; Dan Murdock and Steve Staples; added unity and spirit to the year's yells.

MANY ROUTINES ADD VARIETY TO YELLS

Elected by the Board of Control for the '63-'64 basketball season were B-Squad yell leaders Jan Morris, Patty Simons, and Donna Hansen. The B-Squad staff supported the Junior Varsity at all the home games throughout the season. Only sophomores are eligible for B-Squad yell leaders.

Although the Cross-Country team was handicapped by a lack of speed, they finished competition with a record of 8-1-0, in a show of unfailing endurance and stamina.

The '64 Harriers were only defeated once on their rugged course at Wildwood Park.

John Winkle was the leading runner on the home course as he set a new record of 9 minutes 59.4 seconds for the 1 7/8 mile course.

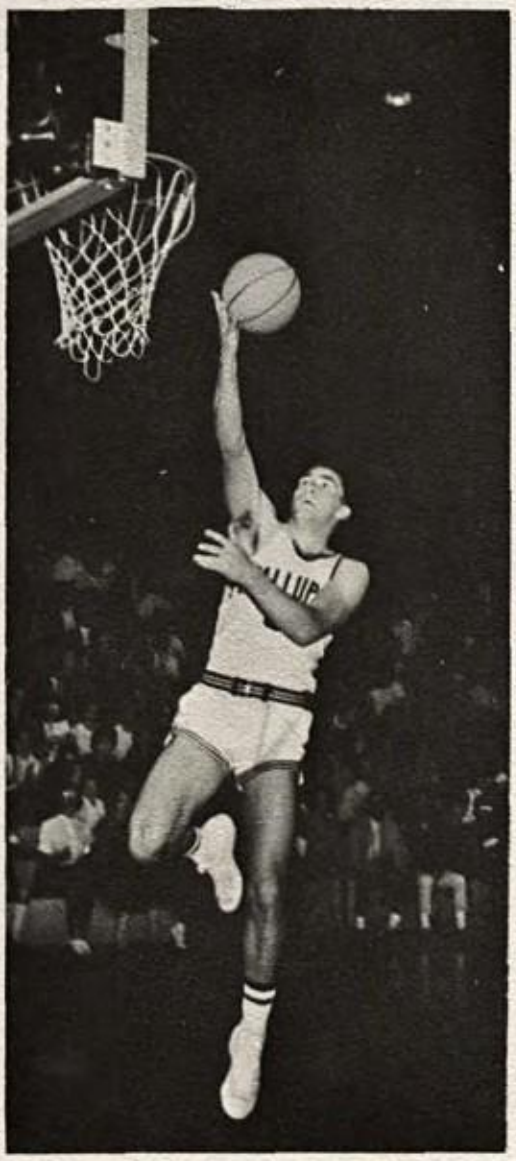
VARSITY BASKETBALL SQUAD TALLIES 7-3 RECORD



Dark and stormy seas faced the Vikings as they set sail on their basketball voyage this year. With only one returning letterman the Viks lacked the varsity experience of their competitors. Even more discouraging was the prospect of the eight non-league games that had been added to the Vik's schedule. But the Viks seized these games as a chance to gain some valuable experience. They lost the first five of these encounters while winning the sixth one 64-56 against Stadium. The Viks were again defeated in their seventh and eighth non-league campaigns.

Undaunted by these discouraging endeavors the Viks started their league season by dousing Franklin Pierce 48-41. Encouraged by this victory the Viks went on to beat Enumclaw 53-44 and Lakes 40-39.

The next battle pitted the Norsemen against the strong Auburn team who barely beat the Viks 36-34.

However, the Norse did not let this discourage them and dunked the Clover Park team 46-33.

In their second battle with Franklin Pierce the Cardinals defeated the Viks 41-31.

The Viks rallied after this setback to overturn Enumclaw 60-51.

In their next battle the Viks were capsized by the Lakes, Lancers 62-49.

But again the Viks rallied after this defeat to squeak by Auburn 51-50.

In their last game of the season Puyallup downed Clover Park 58-46 putting the Viks in a tie with Auburn for the second place position and a chance to go to the state tournament.

With a great deal of determination and enthusiasm the Viks set out for Franklin Pierce and the play-off. Fighting hard and long the Viks put up a good battle only to be defeated 54-42. This gave the Norsemen third place in the Puget Sound League.

Losing only half of the twelve man squad this June next year's season looks very promising for the Vikings.

At the letterman's assembly Coach Nicholson announced that Dale Hammermeister had been chosen to receive the Inspirational Award and that Rodger Manning was chosen honorary captain for the season.

The top five scorers for the season were Jim Vest who had a total of 201 points. He was followed by Rodger Manning, Jerry Henderson, Doug Volkmer, and Glen Bowser.

ROW ONE: H. Massey, J. Gibbons, M. Kerst, J. Caldwell, D. Knudson, J. Nutt. **ROW TWO:** Coach Hammermaster, P. Fjellstead, M. Mower, B. Allen, J. Stahl.

After losing two close games to Auburn, the Puyallup J.V. Basketball team finished second to the powerful Trojans with a 12-6 season record and a 7-3 league record.

Consistently led by high point man Howard Massey, sharpshooting free thrower Jim Caldwell, rebound efforts by John Stahl and Pete Fjellstad, and catlike floor play by Mike Kerst, the Viks were able to establish fine ball playing. Coach Hammermaster felt that the amount of action seen by the team "should be to our advantage as these boys progress into varsity action."

J.V.-SOPHS PREPARE FOR FUTURE

Living up to the Puyallup standard of having fine sophomore basketball teams Coach Richard Halleen led this years Vikings on to a fine 11-5 record. The team was able to maintain this winning season record even though many of the outstanding players were moved up to Varsity or J.V. action.

Coach Halleen stated that this years team consisted of a "hard working bunch of fellows who surprised not only their Coach but also themselves." The valuable experience gained by these boys is expected to make fine J.V. and Varsity basketball teams in the future.

VIKING GRAPPLERS SECURE P.S.L. CROWN

With an unblemished season record the Puyallup Vikings claimed their second Puget Sound League title, this time in wrestling.

The Viking matmen started their successful voyage by overturning Fife 38-10.

Defeating Mt. Rainier gave the Viks their second straight victory 39-9. Constantly scoring high the Norse grapplers sailed over Bethel 31-15.

Always winning by a good margin the Viks next capsized Renton 36-8. With almost the same score the Viks outwrestled Stadium 33-8.

The Vikings next tamed the Highline Pirates 29-17. Overcoming Kent Meridian 28-16 gave the Viks a record of 7 out of 7.

Next in line were the Lakes Lancers who bowed to the Viks 32-11. Defeating a long time enemy, Sumner, 22-19 added one more to the growing list of Viking victories.

Viking heavyweight, Dave Speiring, pursues challenger.

In their last three campaigns the Norsemen upset Clover Park 24-18, Auburn 29-13 and finished the season with Franklin Pierce 33-13.

This sent the Viking matmen to the sub-district contest as the undisputed masters of the P.S.L.

Hosting the West Central District in their own gym the Viks followed Clover Park as the second place winners. The Warriors scored 51 team points, the Viks 47 and in third place the Kent Meridian Royals with 46 points.

The District match determined who would go to the State contest at Pullman, Washington. Puyallup qualified four men for this honor, they were: Keith Sherman, 165 lbs.; Jim Doud 154 lbs.; Don Harris 138 lbs.; and Norm Minarsich 112 lbs. Keith was the only Viking grappler to place first at the District match.

At the lettermen's assembly Coach Ray Barnes announced that captain Don Harris had been chosen by his teammates to receive the inspirational award. Keith Sherman was voted captain for the '65 season.

Spencer, A. LaBloc, G. Woempner.

Opening its first year in P.H.S. the Viking swim team rounded out its initiating season with a 4-12 win loss record. Starting its first year with very limited experience the tankmen were able to send five boys to the state competition. Puyallup was represented at Seattle by Brad King, Steve Connely, Blake Worden, Gordon Kazel and Jack Loucks.

Coach Alseth stated that the "boys came a long way this year. They started without anything and ended up winning some of their last meets." With many of the lettermen returning next year the tankmen are expected to display a much stronger team, which will compete for a top position in the league.

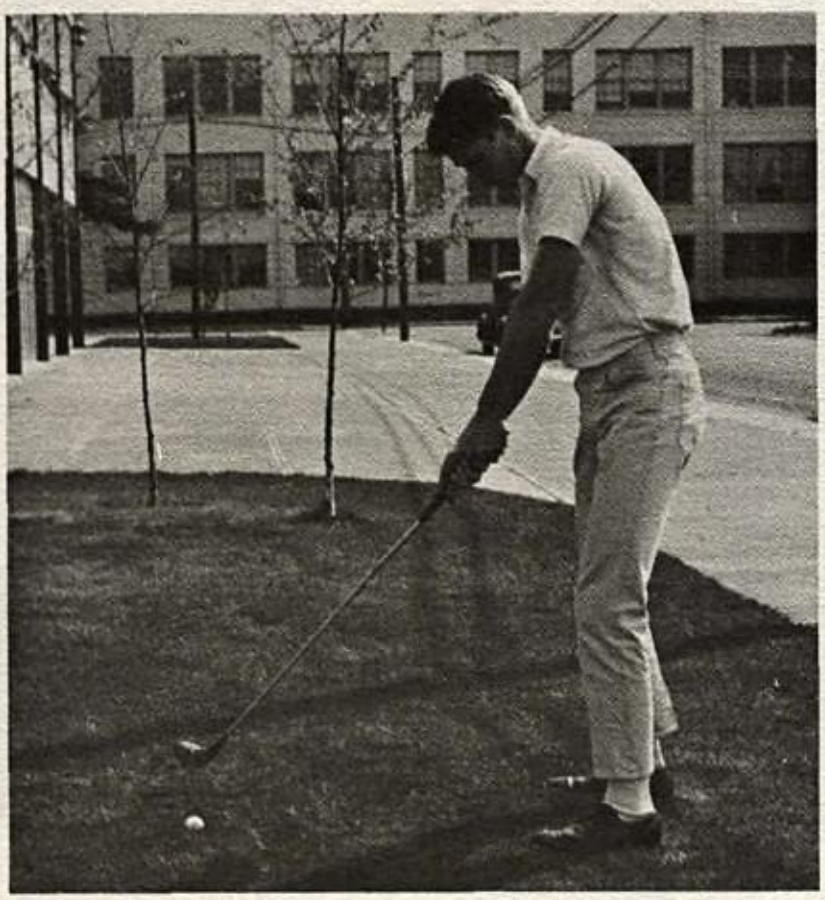
As the annual went to press, Puyallup's fine tennis team had attained a 3-1 record. The boys singles, made up by Rich Voget, and the mixed doubles, consisting of Brad Henning and Bette Clemmens, have thus far remained undefeated in league play.

According to coach Hammermaster "Rich Voget has been entered into the state meet, but the decision on whether he will go depends on the rest of the seasons record." Coach Hammermaster also stated that he was "extremely happy" with the performance of the team because the other teams we play have junior high programs and most of our players didn't start playing until the 9th or 10th grade."

LINKSMEN FACE ROUGH SEAS



Plagued this year with a lack of experience the Viking Golf team, at press time, had rolled up a 1-4 win loss record.

With the team consisting mostly of juniors and sophomores Coach Halleen stated that "the experience gained by this years team will be of extreme value to the boys and make us a top contender in the future."

GOLF TEAM

ROW ONE: J. Pokrifchek, B. Seebers, D. Murdock. **ROW TWO:** B. Copplen, R. Devereaux, L. Nelson, Coach R. Halleen, D. Linkem, M. Thomas, G. Kazel.

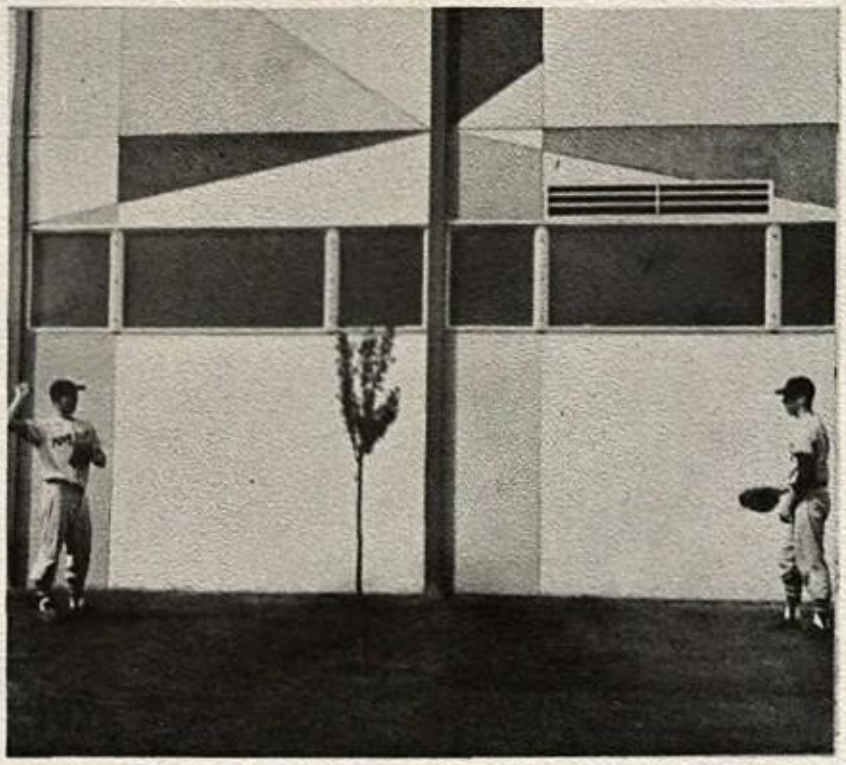
VARSITY BASEBALL

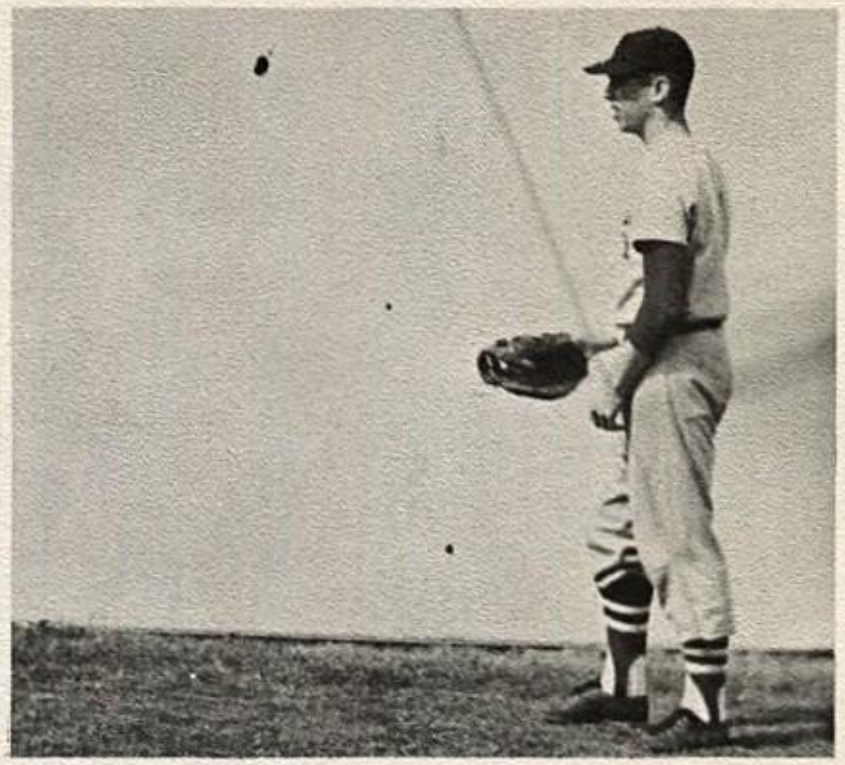
ROW ONE: J. Shinn, R. Hanken, R. Noel, J. Duris, D. Smith, R. Tevis, S. Sand. **ROW TWO:** F. White, J. Caldwell, J. Neeley, A. Neeley, B. Frank, J. Harber, J. Henderson, Head Coach Nicholson.

With one of the most outstanding group of Puget Sound League baseball teams, the Puyallup Vikings had maintained a record of 2-1 when the annual went to press. The league this year has produced some very outstanding pitchers which makes competition much tougher.

Coach Nicholson feels that the Vikings have an "outside chance for the championship this year because of the hard work put in during the summer by Rich Tevis, Al Neeley, Dennis Smith, Roy Noel, Bob Frank, Jim Shinn, and John Harter, who played on Legion teams." With this experience and strong pitching Coach Nicholson stated that this years Vikings are a "real solid ball club who have a chance for a good account of themselves."

J.V.'S CLIMB TOWARDS VARSITY





One third of the way through their season the J.V. baseball team has compiled a victorious league record of 3-0. Displaying fine defense and excellent ballhandling the Viks were able to complete several errorless ball games.

Coach Helling stated "with help from a couple of juniors and sophomores this has been one of the better ball clubs I have ever coached. With the many underclassmen on this years team the J.V.'s are expected to have another strong team next year.

Coach Harshman stated that "I've never coached a P.H.S. team that worked this hard." The best effort yet this year was seen at the Highline Relays when junior Jim Vest put the shot at 55' 4".

There is a strong possibility that the Viks will place in the upper half of the Puget Sound League this year. The Vikings also hope to send Jim Vest, Keith Sherman, and Bruce Hunter to the state meet at Pullman.

The P.H.S. Viking docked into port with 9 months of successful sailing behind them. The crew of the Viking sincerely hope that the events of the voyage have been properly preserved to remind fading memories of the experiences and people who made the year 1964 worth remembering.

Above all, the seniors will remember Mouni and Sa senior assembly rehearsals, College English, bike rides, bon fires, plays, campaign assemblys, birthday parties in the studentbody office and "Somewhere".

Joy is often brushed with sadness and in April, sorrow touched our lives with the death of Paul Denny, a classmate who will not soon be forgotten.

Special thanks is heartily given to Concie Dallman, our advisor, for pulling us out of the many storms we approached. Also to Mr. Ed Robeson, Puyallup Valley Tribune printer, who anchored us in logic and sometimes fatherly concern, and to Bob and Ira Spring who generously allowed use of their picture for the end sheets. Thanks also to Mr. Stan Brewster who was forever helpful with suggestions and hints when we almost drowned in ignorance.

We of the Viking staff hope that our Viking Voyage is your record of the past school year and these memories will serve as guides for future voyages throughout life.

Me again - Hiee! Just a few more lines and thats it. Im out of school now - sitting on your couch. Ive had a wonderful time staying with you two, so much fun.

Well, it doesn't seem quite possible, but Ill be off to college next year. And the year after that - who knows? Life has been fun so far, but after this it will be wonderful! Ive never looked forward to "tomorrow" with so much pleasure. All the many "tomorrows" are going to be so great, so sad, so lonely so full of happiness. Dont ever forget the past - but always look forward to the future. Remember "Its a Lovely Day Tomorrow" and "Somewhere." Such a wonderful time weve had. Schools been one big blast, but now its over - and I guess well just have to improvise. Bye for now, Vik. Take care of yourself, the baby, and that nutty husband of yours. Good luck, God bless you.

all my love,
Cheri Dildine

"I believe it is important that this country sail and not lie still in the harbors."

"I ask you to give to the service of our country the critical faculties which society has helped develop in you here. I ask you to decide as Goethe put it, "whether you will be an anvil or a hammer."

John Fitzgerald Kennedy
